

NOTIS PEMAKLUMAN

Tarikh: 22 Julai 2020

Kepada sesiapa yang berkenaan,

SYARAT PENGIMPORAN BARU KE TURKI SUSULAN PANDEMIK COVID-19

Pihak Jabatan Perkhidmatan Veterinar (DVS) ingin memanjangkan makluman yang diterima berkenaan pengemaskinian syarat-syarat pengimportan baru berkaitan pengimportan haiwan, ternakan dan makanan haiwan ke negara Turki susulan pandemic Covid-19 seperti berikut:

- 1) Traveling of domestic animals which have health certificate and are not intended for commercial purposes such as dogs, cats, birds and ornamental fish with the owner of pets, is allowed provided that 14 days of isolation of the animal with the animal owner upon return from abroad is ensured
- 2) Entry and exit for commercial purpose of exotic animals, invertebrates, amphibians, dogs, cats, ferrets, reptiles, rodents, rabbits, birds to Turkey is suspended
- 3) Controlled import of experimental animals provided that they are kept in laboratory conditions and controlled environments for use in scientific research is allowed.
- 4) Animal products imported for animal feeding purposes should be subjected to heat treatment at least 30 minutes at a temperature of 70 degrees before or during the preparation phase

Sebarang kemusykilan boleh dirujuk dengan Kedutaan Turki di Malaysia.

Sekian, harap maklum,

Terima kasih.

Ketua Pengarah Jabatan Perkhidmatan Veterinar
