**EXTENSION FOR COMPLIANCE TO VETERINARY HEALTH MARK  
CERTIFICATION AND VETERINARY HEALTH CERTIFICATE FOR IMPORTATION  
OF MILK CHOCOLATE PRODUCTS INTO SARAWAK**

I refer to the above matter please.

2. Please be informed that the importation of animal product including chocolate products containing milk into Sarawak required that the processing or manufacturing plant be Veterinary Health Mark (VHM) certified by the Department of Veterinary Services Malaysia. Please also ensure that your product items are listed in you VHM certifications. As the industry has requested for consideration on the above, the importation regulatory committee has agreed to extend the compliance date to 30<sup>th</sup> June 2021.

3. We thank you for consideration on the above.
