ANNOUNCEMENT

Dear Valued Customers,

MISSING FOB VALUE IN DVS FOR AIFTA AND MICECA

We are pleased to inform you that the issue regarding the missing FOB (Free on Board) value in the Digital Verification System (DVS) for the ASEAN-India Free Trade Area (AIFTA) and Malaysia-India Comprehensive Economic Cooperation Agreement (MICECA) has been successfully resolved by Dagang Net Technologies Sdn. Bhd.

The FOB values were successfully recovered on **12 April 2025**. Consequently, the Indian Customs authorities are now able to view the FOB value in the DVS with immediate effect.

With this notification, all Preferential Certificate of Origin (PCO) applications submitted under the AIFTA and MICECA schemes will now resume normal processing operations.

We appreciate your patience and understanding during this period. For further assistance, kindly contact Careline at 1300 133 133, or email careline@dagangnet.com.

Thank you.
